New Delhi-3, the 28th OCTOBER *1949.*

Dear Sir,

I am desired to acknowledge receipt of your d.o. letter No. E.1(CAMP), dated the 24th October, 1949. Maulana Saheb's stay in Bangalore and Mysore this time will be of a very short duration and, therefore, when the President of the Mysore Municipal Council informed Maulana Saheb of the decision of his Council to give a Civic Reception to him on the occasion of his visit to that city, he was told that in view of the very short time which will be at the disposal of Maulana Saheb, it was regretted it would not be possible for him to have the honour of the Civic Reception. But, as Maulana Saheb had decided to be in Mysore at the close of the UNESCO Seminar, it would be more convenient if the Civic Reception was arranged on that occasion when Maulana Saheb hoped to have more time at his disposal.

Maulana Saheb is thankful to the Bangalore Municipal Council for their decision to give him a Civic Reception and has asked me to inform you that it would be better if this Reception also was postponed till the middle of December next when Maulana Saheb would stay at Bangalore before he proceeded to Mysore. It is hoped that this arrangement will not be found inconvenient to you and the members of the Municipal Council of Bangalore.

GOVT. OF MYSORE

Letter No.C3.P.26/49-50 dated the 5th November 1949 from the President, City Municipal Council, Mysore, to the Secretary to Government, General Department, Bangalore.

Subject: Civic Reception to Maulana Abdul Kalam Azad.

==========

I have the honour to state that the Mysore City Municipal Council proposed to offer a civic reception to Hon'ble Maulana Abdul Kalam Azad Minister of Education, Government of India, who paid a visit to this city on the 2nd November 1949. They also approved of the proposal to incur an expenditure not exceeding Rs.2000/- to be spent out of the provision under E.10-Fairs and Festivals for according a civic reception and also presenting the Hon'ble the Minister with an Address vide copy of the resolution of the council obtained by circulation, enclosed. The Hon'ble Minister could not however accept the engagement on account of limited time at his disposal during his recent visit to this city on 2-11-1949. From letter No.E.147-/3-11-49 received from the Secretary to Government, Education Department, it is seen that it would be convenient to the Hon'ble Minister to receive the civic address next month when he is going over to this city at the close of the Unesco Seminar about the middle of next month.

In these circumstances I request you kindly to obtain necessary orders of government to the proposal of offerring a civic reception and presenting a civic address to the Hon'ble Minister and to incur an expenditure not exceeding Rs.2,000/- out of the provision under E.10- Fairs and Festivals, as resolved by the Council.

OFFICE OF THE MINISTER FOR EDUCATION
Date 28.11.49
No. M 131

Government of India,
Ministry of Education, New Delhi
the 24th November 1949.

Dear Mr. Chandrasekharaiya,

I hope you have received Professor Humayun Kabir's letter dated the 22nd November, 1949. Panditji is not going to Mysore. It was getting very difficult for Maulana Saheb to be away from Delhi when the Constituent Assembly (Legislature) will be in session but as he had promised he would be in Mysore for the closing of the Seminar, somehow he has managed to absent himself for only a day from the Assembly and visit Mysore. According to his present programme Maulana Saheb will leave Delhi in the morning of the 3rd December by Service Plane, arriving in Bangalore at 3.15 P.M. Presumably, arrangements for his stay in Bangalore will be made at the Residency and, therefore, he will go there from the Aerodrome. He would like to visit the Indian Institute of Science and spend there at least two hours because there are many things which he has to see for himself. He hopes to return to the Residency at 6 P.M. I have received a letter to-day from the Bangalore Municipality proposing to give a Civic Reception to him. I am writing to its Honorary President the Reception may be arraged at 6 P.M. on the 3rd December.

The following morning, the 4th December, he will leave for Mysore. I am writing to Mr. L.R. Sethi to fix the time of the closing of the Seminar at 3.30 P.M. If the Mysore Municipality propose to give him a Civic Reception, it may be arraged at 2 P.M. before Maulana Saheb goes for the closing of the Seminar. Maulana Saheb would like to meet the Delegates and the Observers at Tea at the Government House. You may very kindly see to all this. Maulana Saheb will leave Mysore after this small party, as he wants to be in Bangalore for his Dinner. The next day, the 5th December, he will leave for Delhi.

I know you had thought of several engagements for Maulana Saheb both at Mysore and Bangalore. I am very sorry it would not be possible to fit in any of them.

Dated 28th Nov., 1949.

Dear Sir,

I thank you for your kind letter of the 26th instant. I reminded the Moulana Sahib, Education Minister, New Delhi in my letter dated 21st Nov. 1949 about his reply telegram dated 25-10-1949 wherein he was pleased to suggest that the presentation of Civic Address may be considered during his visit in the month of December.

In reply to my letter referred to above, I am in receipt of communication sent by him, a copy of which is enclosed herein for your reference. Further I communicated the Hon'ble Minister, the Moulana Sahib that the time mentioned in the letter i.e., 6 P.M. on the 3rd proximo would be suitable for the function.

I therefore request you kindly to mention the presentation of the Address in the programme of the Moulana Sahib's visit to Bangalore.

Yours sincerely,

Sri K.Srinivasan, B.Sc.,
Chief Secretary to Govt.,
BANGALORE.

Letter No.Nil,dated 24th Nov.1949 from the Private Secretary to the Honourable Minister for Education,New Delhi,to Sri.R.Subbanna,Hon.President,City Municipality, Bangalore.

Maulana Saheb desires me to acknowledge receipt of your letter dated the 22nd November, 1949. Maulana Saheb's original idea was to stay for some time in Bangalore and Mysore during his forthcoming visit in connection with the closing of the Seminar. Unfortunately, it is not now possible for him to be away from Delhi for more than two or three days. When this is the case all the engagements, to which he had already promised, are to be crowded into the time at his disposal.

Maulana Saheb will be arriving in Bangalore in the afternoon of the 3rd December by air by Service Plane, Presumably, he will be staying at the Residency to which place he will proceed from the Aerodrome. From the Residency he will go to see the Indian Institute of Science. He will stay there for about two hours and will return to the Residency by 6 in the evening. As he has to proceed the following morning for Mysore, the only time at his disposal will be between 6 and 7 in the evening of the 3rd. If the Hon'ble Members of your Council do not find this time very inconvenient to them, the Reception may be arranged at 6 P.M., December 3,

Copy of letter dated 24th November 1949 from the Private Secretary to the Hon'ble Minister for Education, Government of India, New Delhi, to the Minister for Education, Government of Mysore, Bangalore.

I hope you have received Professor Humayun Kabir's letter dated the 22nd November 1949. Panditji is not going to Mysore. It was getting very difficult for Maulana Saheb to be away from Delhi when the Constituent Assembly (Legislature) will be in session but as he had promised he would be in Mysore for the closing of the Seminar, somehow he has managed to absent himself for only a day from the Assembly and visit Mysore. According to his present programme Maulana Saheb will leave Delhi in the morning of the 3rd December by Service Plane, arriving in Bangalore at 3.15 P.M. Presumably, arrangements for his stay in Bangalore will be made at the Residency and, therefore, he will go there from the Aerodrome. He would like to visit the Indian Institute of Science and spend there at least two hours because there are many things which he has to see for himself. He hopes to return to the Residency at 6 P.M. I have received a letter today from the Bangalore Municipality proposing to give a Civic Reception to him. I am writing to its Honorary President the Reception may be arranged at 6 P.M. on the 3rd December.

The following morning, the 4th December, he will leave for Mysore. I am writing to Mr. L.S. Sethi to fix the time of the closing of the Seminar at 3.30 P.M. If the Mysore Municipality propose to give him a Civic Reception, it may be arranged at 2 P.M. before Maulana Saheb goes for the closing of the Seminar.

Maulana Saheb would like to meet the Delegates and the Observers at Tea at the Government House. You may very kindly see to this. Maulana Saheb will leave Mysore after this small party, as he wants to be in Bangalore for his Dinner. The next day, the 5th December, he will leave for Delhi.

I know you had thought of several engagements for Maulana Saheb both at Mysore and Bangalore. I am very sorry it would not be possible to fit in any of them.

NEW DELHI
The 28th November, 1949.

Dear Sir,

Attached herewith is a copy of the Tour Programme of the Hon'ble Maulana ABUL KALAM AZAD, Minister for Education, India. You will find therefrom that my Minister is on a very brief visit to Mysore and, therefore, no Jamadar is being sent from here to attend on him there. I am, therefore, desired to request that local arrangements may please be made to detail one of the Senior Peons of your staff to attend on him both at BANGALORE and MYSORE, with instructions to report to Private Secretary - Mr. MASUD - for duty. While at MYSORE, perhaps two Peons may be provided so that they may be put on duty in rotation - one from 8.A.M to 1 P.M and the other from 1 P.M to 8 P.M. I hope it will be possible for you to have this arrangement made.

I shall be grateful for a line in reply.

CIVIC ADDRESS

PRESENTED TO

THE HON'BLE MAULANA ABUL KALAM AZAD

MINISTER FOR EDUCATION, GOVERNMENT OF INDIA

BY

THE PRESIDENT AND MEMBERS OF
THE MYSORE CITY MUNICIPAL COUNCIL

4TH DECEMBER 1949

Revered Maulana Sahib,

MYSORE City has been honoured by visits of several eminent sons of India during the past one year. His Excellency Sri C. Rajagopalachari, Pandit Jawaharlal Nehru, Sardar Vallabbhai Patel, Dr. Babu Rajendra Prasad, Dr. Pattabhi Sitharamaiya and other leaders have given us the privilege of welcoming them to this city in recent months. We are very glad that we have to-day an opportunity of welcoming another noble patriot whose services to the country and to the Congress have been unique. We wish to express our sincere thanks to you for having kindly accepted our invitation to receive an Address from us in spite of the numerous engagements which you have had to fulfil during your all too short stay in this city.

We cannot find words which can adequately describe what you have done for India. We are also aware that you do not like to be referred to in terms of praise, but it is with the feeling that recollection of patriotic and selfless services of great men will help us to purify our thoughts and deeds and keep to the path of righteous conduct that we crave your permision to refer briefly to your services in the cause of learning and freedom.

Born in the Holy City of Mecca in 1888 you spent your early years in Arabia in the pursuit of knowledge. It was a day of good augury for the future of India when your revered father came back to India in 1898 and settled down in Calcutta. When you were barely fourteen years old you became a teacher and were editing a paper, *Lisanus Sidq*, which means the "voice of truth". We wish to recall but one instance of your early life which illustrates your mental and spiritual calibre. Attracted by your writings in that paper, you were invited by people who did not know what your age was to lecture to a learned audience in Lahore on the rational basis of religion. You accepted the invitation and to the astonishment of the audiance which felt initially surprised at your age you made a speech which earned for you a great reputation in Muslim intellectual circles. At

that time you also wrote poetry under the pen name 'Azad' which has since remained the name by which you are best known all over the country In 1905 you went to Egypt and studied at the Al-Hilal University in Cairo the most important educational Institution in the Muslim world, and returned to India in 1907, since when you have ceaselessly associated yourself with the national movement. In 1912 you started the paper *Al-Hilal* which was devoted to social work and religious matters and also brought about immense political awakening. The Government of the time suppressed *Al-Hilal* in 1914 during the War and interned you in Ranchi until 1920 when you met Mahatma Gandhi. You participated in the campagin against the Rowlatt Act and in the agitation over the 'Khalifat' issue, in which endeavour you brought many Muslims into the Indian national movement.

You have had the rare honour of having been President of the Indian National Congress three times. In 1923 when you were elected to that august office, you were the youngest President of the Congress. You were again President from 1930 to 1932 and for the third time from 1940 to 1946. The third tenure of your presidentship was a period when the political destiny of India was being carved out. You conducted the negotiations with Sir Strafford Cripps in 1942 on behalf of the Congress and in the Conference called by Lord Wavell in 1945 you were the sole spokesman of the Congress. You carried on negotiations with the Cabinet Mission on behalf of the Congress in 1946. It is common knowledge that in those fateful days the country's political future was largely shaped by your statesmanship and far-sightedness.

Your services have not been confined to the Indian National Congress. The Muslim world has derived immense benefit from you as a scholar and a theologian. You have interpreted Islam as a true and devout Mussalman. To use your own words "the most precious gifts from Islam's treasury to the world are the messages of democracy and human equality." At the same time, you have made common cause with your co-religionists in India and have preached and practised

toleration, understanding and good-will. You gave the most solid support to Mahatma Gandhi in his efforts to bring about communal unity.

After India's political freedom was achieved you have gone back to the first mission of your life, namely, education. No factor is more essential than education for the preservation of the country's freedom which has been won after years of struggle and sacrifice. You correctly appraised the value of education for adults, which you have called social education, and invited the UNESCO Seminar on adult education, to hold its session in this country. We are thankful to you for having chosen Mysore as the venue of the Seminar and trust that the delegates to the Seminar found here a congenial atmosphere for their deliberations.

We wish to take this opportunity to mention that in Mysore State adult education has received special attention during the past few years. The Mysore State Adult Education Council has done much good work. The Mysore City Municipality has been aiding adult education work in the city by making an annual contribution of Rs. 1,000 for conducting adult literacy classes and Rs. 1,000 for maintaining libraries for adults in the city. We do not wish to tire you on this occasion by narrating the work done by the Municipality in other directions. We only wish to state that we have been endeavouring our best to keep the city clean and healthy and comfortable for all its inhabitants and visitors. The needs of Harijans, sweepers and scavengers receive our special attention. We shall endeavour to maintain the tradition of civic progress which has been built up in this city by years of thoughtful planning and constructive work.

God has enabled you to contribute your services to make India free. May He also enable you to make all Indians educated and enlightened so that peace, prosperity and concord may reign in the country.
